

The Moe-Newborough Anglican Parish celebrates the love of God for all people.

The parish is a Christ centred community.

We recognise God's will that all people be drawn to faith and come to know Christ.

*We recognise that every human being is created in the image of God and God is revealed in each of us. In this light we welcome and show respect to all people seeking to appreciate the gifts they and we offer. We recognise the indigenous people of this community acknowledging their stewardship of the land over thousands of years*

As an integral part of the Diocese of Gippsland, the Anglican Church of Australia and the worldwide Anglican communion, we worship according to the liturgy of the Anglican Church whilst *endeavouring* that our services are welcoming to people of all ages and traditions of worship.

*We will ensure that our parish is a place where everyone can feel safe.*

*We seek to understand our local community to help us minister effectively within it.*

As a parish we recognise the beauty of God's creation and our responsibility to be good stewards of our environment both locally and universally.

*We will undertake to carefully use the resources we have Inherited and maintain and develop them to best serve our ministry within the community.*
